### GETI Announces Class A Certification for Dejavoo Systems

October 10, 2010 – Ft. Walton Beach, Fla. [Dejavoo Systems](#), a value added reseller and developer of next generation point of sale devices, and [Global eTelecom, Inc. \(GETI\)](#), an electronic check processing and gift/loyalty card provider, proudly announce the certification of Dejavoo products for [GETI's Check 21 program](#). Benefits include one-click access to transaction details, support of many imagers, driver's license swipe capture, and stored account data.

"Dejavoo is pleased to have Global eTelecom as a Class A partner for their full suite of products, such as verification, conversion, check 21, and gift/loyalty cards on all Dejavoo terminals. Our two companies bring added value solutions to the payment processing industry" said Michael Grossman, executive vice president for Dejavoo Systems.

"The certification of GETI Check 21 remote deposit capture capabilities on the Dejavoo line offers even more versatility to users of these point of sale terminals," said John Laurell, VP of technical operations at Global eTelecom. "The partnering of Dejavoo Systems innovative technology and Global eTelecom's secure payment processing services brings a full scope of payment options to resellers and merchants alike."
