GETI and PayLeap Announce Online ACH and Gift Card Solution Partnership

April 29, 2010 – Destin, Fla. [Global eTelecom, Inc. \(GETI\)](#), a check processing and gift/loyalty card provider, and [PayLeap](#), an electronic payment services provider, are proud to announce a partnership to enhance safe, secure payment processing options for online e-commerce merchants. This GETI-PayLeap partnership will substantially enhance payment processing options for online merchants and their clients by integrating GETI solutions into the PayLeap payment gateway.

“Dynamic and adaptive payment solutions are more relevant today than ever before,” said PayLeap Vice President of Business Development Daryn Barney. “We have seen that by enabling online merchants with the proper tools to easily and safely accept a variety of payment types, such as ACH and gift/loyalty cards, in addition to credit and debit card acceptance, merchant processing and average transaction amounts increase. As a leader in innovative payment gateway services, we want to offer the most robust platform and greatest value to support our merchants. Our integration with GETI makes these modern [payment processing solutions](#) a reality.”

Chris Brundage, COO for GETI, said, “Partnering with PayLeap offers us the opportunity to serve more businesses in the online payment arena. GETI’s [gift and loyalty card](#) programs and web-based check processing solutions are a natural fit for PayLeap’s online payment gateway. By [integrating](#) these services, PayLeap clients have virtually unlimited payment options available.”
